Sir:

In response to the "Notice to File Missing Parts of Nonprovisional Application," mailed October 9, 2003 ("the Notice"), and pursuant to the concurrently filed "Petition to Accord Filing Date to Utility Application" ("the Petition"), Applicants hereby request a

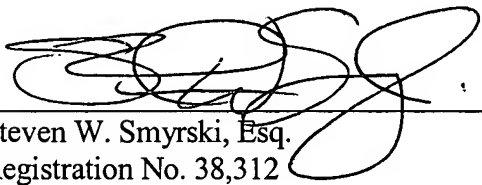

refund of any fee associated with according a July 14, 2003 filing date to the above-entitled application, including the \$130.00 petition fee.

The Notice indicates that sheet 19 (FIG. 18) was allegedly not filed with the application and a filing date not accorded to the application. Applicant did in fact enclose 22 sheets of drawings, including sheet 19 (FIG. 18), with the filing made on July 14, 2003. As demonstrated in the Petition, Applicant submitted the drawings in a timely manner and certified this fact according to Patent Office requirements. Applicants believe that the Petition was not required by any action or inaction of the Applicants. Applicants acted properly in all respects and submitted all required materials in a timely manner.

Applicants therefore requests a full refund of any fees charged to Deposit Account 502026, including the \$130.00 petition fee, back to Deposit Account 502026.

Respectfully submitted,

Date: December 8, 2003
